

At Silverman, we want you to retire in high style.

When Sam Rubin decided to retire and close R&A Jewelers after 84 years in business, he did some research before selecting Silverman Consultants to help. Hiring them, he discovered, would allow him to honor his longtime customers while positioning his family for a comfortable retirement.

The experienced team at Silverman can create a sale customized for your store and if desired, supplement your inventory with jewelry right for *your* customers.

As with R&A Jewelers, it's possible for a well-planned sale to exceed a store's previous annual sales volume. Visit silvermanconsultants.com/retire, booth 24055 at JCK Vegas, or call (800) 347-1500 for more. Or just ask Sam Rubin.
